

How to Get a Library Card

To get a library card, you must present an item with proof of a local mailing address (i.e. a piece of canceled mail, check, or CO Driver's license), and photo identification. You must fill out an application or bring a completed application with you.

If you are under the age of 18, a parent or legal guardian must be present, show proof of a local mailing address, and sign the card application.

The first library card is FREE with a \$1.00 replacement charge for a lost or stolen card. Treat your library card as you would your credit card; report a lost or stolen card immediately. **Always bring your library card when checking out items.**

You are responsible for all materials borrowed on you library card from the time they are checked out until they are checked in.
