---

This cemetery is located 1 mile east of Edwards on Highway 6. Section 3 Township 6 south Range 83 west of the 6th P.M. There are actually two cemeteries here. The smaller one is fenced off to the west of the larger. I have listed the inscriptions for this smaller cemetery at the bottom of this list. There are included two dogs. The oldest grave in the larger cemetery is that of Susan Arvilla Fox HERWICK who died in 1885. I have scanned in pictures of most of the markers in the larger cemetery. The numbers in (xx) are referring to the location of the grave in the cemetery. There are many graves that no long can be found as there are no headstones.
