Greenwood cemetery may also be known as Evergreen Cemetery and is located in the town of Red Cliff. The town of Red Cliff is located about 10 miles south of I-70 off Highway 24. Red Cliff was the county seat of Eagle County until 1921 when the county seat was moved to the town of Eagle. There are several names without dates, in some cases the dates are unreadable, and in other cases they are just not there at all.
