

Eagle County Deaths and Related Deaths between 1883 1900

Although I have titled this page 1883 to 1900, the first extant copy of a newspaper for Eagle County starts in the summer of 1898. We have no obituaries before 1898 unless they were donated by someone.

To request copies of obituaries or photos, ask questions concerning the history of Eagle County, Colorado, or contact the EVLD Local History Librarian, please email: evldlochis@marmot.org. This email address is also appropriate should you have additional information to share about our photo collection or should you wish to donate materials relevant to Eagle County history.
