---

The following records were taken from the book, "Records of Reports From the United States Land Office", Eagle County Assessor, Eagle, Colorado. In order to save time, I only copied the name of the purchaser, the year of final proof, and the page number on which this information can be found in the above entitled book. You will notice in some cases that a person's name appears twice or that there are two different years listed with the same name. I transcribed the information exactly as it appeared in the book. Keep in mind that the following is only a small portion of this book. There is much more to transcribe, and I will do so as time permits.

## Eagle County Assessor's Office

P.O. Box 449

Eagle, Colorado

18631-0449.

Address your letter with - attention: Mapping Department.

Make sure to include the name of the person, the year of final proof, and the page number. As you will see, the names are not in alphabetical order, nor are the years

consecutive. The names of the purchasers were listed according to the Township and Range upon which their land was located, so therefore the page number is most important.

What you will receive back from the Eagle County Assessor's Office hopefully will be a legal description of the land purchased. This should include Township, Range and Section numbers.

Please call to inquirer as to the cost or fee for such a search: 970-328-8640, Fax 970-328-7370.
