

Dear Summer Reader,

Welcome to the Eagle Valley Library District's Summer Learning Program, "All Together Now!" Please read the following for information on how to chart your reading progress and earn fun prizes along the way.

Challenge yourself and earn cool prizes!

On the other side of this page, you will find a Summer Reading Log. This year we encourage you to challenge yourself! Use the space at the bottom to fill in how many minutes of reading you want each empty circle to represent; we recommend 20-30 minutes. The starred circles require you to complete an activity instead. When you complete your reading or activity, place a sticker in each circle. For every puzzle piece you complete, you will earn a prize from the library. Earn up to five prizes! Don't forget to have a grown up initial your log. The last day to turn in reading logs and collect prizes is Friday, September 1, 2023.

Join in our free programs throughout the summer!

Jump into reading at EVLD libraries this summer as we explore the wonders of community connections, science that serves, kindness for everyone...and MORE! Drop in for just one program or come to them all—no registration is required and they are all free. See the schedule of events in your summer reading bag for more details. The full schedule of summer learning activities is also available online at www.evld.org/kids.
