

**UNITED STEELWORKERS PAPERS - 2 LINEAR FEET**

**ABSTRACT**

The United Steelworkers Local 5102 was created by employees of the Eagle Mine in Gilman, Colorado. The mine was owned by the New Jersey Zinc Company and the union meetings were held in Red Cliff, Colorado at the old show hall (now gone).

## **SCOPE & CONTENT**

This minute book details meetings from January 1969 to August 1977. A folder is also located in the box with pages that have become loose from the book itself. Other attachments to pages are present in the book. Only half of the book has been used.
